What:

We will be hosting a series of virtual hands-on workshops to highlight the many talents of our members and guests and to raise money for The FAWCO Foundation and FAWCO Target Project. The workshops will be led by our AWC Berlin, FAWCO members and guests with fun and informative topics like: wine tasting, beer tasting, cooking, summer beverages, flower arranging, art lessons, etc. Participants will be asked to make a suggested donation. All proceeds from these events will go to The FAWCO Foundation.

Why:

The AWC Berlin is a founding member of FAWCO (Federation of American Women's Clubs Overseas, Inc). The FAWCO Foundation was established in 1967 as FAWCO's philanthropic arm. For over fifty years, The FAWCO Foundation has worked diligently and passionately to fulfill its purpose to implement philanthropic concerns and interest in the global community, specifically by aiding charitable, scientific and educational programs, and by supporting the rights of women and children throughout the world. The FAWCO Target Project is a sustainable investment by our FAWCO members to empower women and girls. The current Target Project focuses on women's health supporting S.A.F.E in Tanzania - read [announcement](#).

How:

The workshop hostess will determine the topic, length, day, time and audience size. A catalog of offerings will include a description of the workshop, the hostess, list of required supplies to be an active participant, along with the length, date and time of the event. Attendees may also watch the workshop without purchasing any necessary supplies. Workshops are open to AWC members and guests. Registration is through Wild Apricot. Workshops not meeting the minimum attendance may be cancelled. Upon registration, participants will receive a confirmation email with a meeting link, list of supplies and other pertinent information.
